HOW TO LOGIN TO ONLINE BANKING.

Logging in to MFCU on a Desktop

Before you login, you must be registered for online banking.
***REMEMBER** these steps only apply to members logging in for the first time.*

1. Visit www.mfcu.ie and click 'Login' in the top right corner of the screen
2. Enter your username and click 'Login'
   - this is the username you created when you registered
3. Enter your password and then click 'Continue'
4. You will then be asked to generate a one-time passcode
   - this is a 4 digit code sent to your phone
   - enter the 4 numbers and click 'I approve the activity'
5. Enter pin number
   - 8 digits sent to your mobile at the time you registered for an online account
6. Create a 'Memorable Word'
   - this is a security word that can be used to access your account in the event of a forgotten password

TOP TIP: If your smartphone device is set up for finger print or facial recognition, the MFCU app will apply the same function to your login.
- this only applies after you've logged in for the first time.
