

HOW TO LOG INTO MFCU APP

1

Download the MFCU app and click 'Log In' and enter your username

2

Enter your password and then click 'continue'

- Do not copy and paste password you were given, type it in manually

3

- Generate a one time passcode- via SMS or the app
 - N.B Code changes every time
- Click 'I approve the activity'

4

Enter pin number

- 8 digits sent to your mobile when you registered

5

Create a 'Memorable Word'

- this is a security word that can be used to access your account in event of forgotten password

6

Expired pin and password

- the first time you log in you will need to change pin and password you were given for security measure

!

TOP TIP: If your phone device is set up for finger print or face id, you can use this on our app after your first log in
