

HOW TO REGISTER FOR THE MFCU APP

1

- Download and open the MFCU app
- Click 'Login' and then click on 'Register'

2

- Create username
- *this is case sensitive*
- Enter your MFCU account number

3

- Enter your name as it appears on your MFCU account
- Enter your Date of Birth

4

- Enter your mobile number
- *must be mobile not a landline*
- Enter your email address (must be your own)

5

- Re-enter email address to confirm
- Create a password and confirm
- Click 'Register'

!

N.B you must register with the mobile number and email address that is on your account. You can drop into your local branch to change these at anytime

You will then receive an email confirming your registration. You cannot login until you get your pin through text (within approx. 24 hours during weekdays). If there are any issues with the registration details, the email will detail those issues
