HOW TO REGISTER FOR ONLINE BANKING.

Registering for Online Banking

REMEMBER You must be an existing MFCU member to register for online banking.

1. Download and open the MFCU app
2. Click 'Login' and then click on 'Register'
3. Create username
 - this is case sensitive
4. Enter your MFCU account number
5. Enter your name as it appears on your MFCU account
6. Enter your Date of Birth
7. Enter your mobile number
 - must be mobile, not landline
8. Enter your email address (must be your own)
9. Re-enter email address to confirm
10. Create a password and confirm
11. Click 'Register'

You will then receive an email confirming your registration. You cannot login until you get your pin through text (within **approx. 24 hours** during weekdays). If there are any issues with the registration details, the email will detail those issues.
